

Discover the Sanctuary

Nestled in fertile farmland of California's San Joaquin Valley, our two-acre rescue and rehabilitation sanctuary is home to 11 unique animal species. Harvest Home Animal Sanctuary has saved the lives of thousands of animals from certain death. For millions of animals confined in factory farms, research labs, and other institutions of animal abuse in California, the hope of a new life is merely a dream. At Harvest Home, second chances become a reality.

Harvest Home Animal Sanctuary is a 501(c)3 non-profit and donations are tax-deductible. Our Federal Tax ID No. is 56-2515797.
